**IMMEDIATE RELEASE:
OCTOBER 20, 2009**

**HEADWATERS INCORPORATED
ANNOUNCES PRICING OF \$328,250,000 OF
11³/₈% SENIOR SECURED NOTES DUE 2014**

SOUTH JORDAN, UTAH, OCTOBER 20, 2009 (NYSE: HW) – HEADWATERS INCORPORATED announced today the pricing of its offering of \$328,250,000 aggregate principal amount of 11³/₈% Senior Secured Notes due 2014 in a private placement exempt from the registration requirements of the Securities Act of 1933, as amended. The principal amount of notes was increased from the previously announced \$280 million aggregate principal amount. The notes will be senior secured obligations of Headwaters and will be guaranteed by certain of Headwaters' existing and future domestic subsidiaries.

The offering is expected to close on October 27, 2009, subject to certain closing conditions, including the entry into a new four year \$70 million senior secured first lien asset-based revolving credit facility by certain direct wholly owned subsidiaries of Headwaters as borrowers and Headwaters as a guarantor. Headwaters expects the notes will yield net proceeds of approximately \$317.0 million (after deducting the initial purchasers' commissions and estimated transaction fees and expenses), which are intended to be used by Headwaters, (i) to repay its existing senior secured credit facility, (ii) to fund the previously announced tender offer for all of its \$71.8 million aggregate outstanding principal amount of 2-7/8% senior subordinated convertible notes and (iii) for general corporate purposes, including working capital and repayment of indebtedness.

The offering will be made only to qualified institutional buyers in reliance on Rule 144A under the Securities Act of 1933, as amended, and outside the United States, only to non-U.S. investors pursuant to Regulation S. The notes have not been registered under the Securities Act of 1933, as amended, or any state securities laws and may not be offered or

sold in the United States absent registration or an applicable exemption from registration requirements. This press release is being issued pursuant to Rule 135c under the Securities Act of 1933, as amended, and shall not constitute an offer to sell or a solicitation of an offer to buy the securities.
